

English

Revision

The Harry Potter Series- J.K.Rowling

A revision block divided into nine units that cover all necessary revision, including the grammar, punctuation, and spelling for the SPAG tests as well as reading, comprehension, and writing.

Guided Reading

The Book of Hopes

Practicing our comprehension skills alongside our speaking and listening skills. This book will help us think about the impact of literature on our wellbeing too.

The Learning Challenge™
CURRICULUM

Ghyll Royd School Year 6 Summer 2021 Termly Overview

Mathematics

Exam Revision

- Mental strategies and written multiplication
- Multiplication, division and ratio
- Fractions decimals and percentages
- Understanding and calculating fractions
- Algebra
- Area perimeter and volume
- Shapes, angles reflections translations
- Paper practice/ problem solving

Secondary School Preparations

To finish the year we will be revising the methods needed for the year 7 curriculum.

ICT

Data Analyst.

The class will learn all about spreadsheets and analysing data. They will learn how to create graphs and charts using excel.

Self-publishing

The children will learn how to write stories, blogs and reports using various word processing programs.

Were the Victorians Vile or Victorious?

Science

Living Things and Their Habitats

We are going to imagine we have been commissioned to create an inspirational and informative illustrated book on the theme of animal and plant life cycles. The children will develop their mastery of key art skills as they create eye catching illustrations that accurately tell the life cycle story of a range of nature's wonders. Along the way, they learn skills as a natural scientist and top off their work by studying David Attenborough, Jane Goodall and their natural scientist colleagues. Enter your final book into the 'Excellence in Scientific Illustration' awards.

Humanities

History- Vile Victorians

Social History- We will study the Victorian social history through the eyes of a Victorian child. We will learn about the schools, child labor, toys and the work of Dr Barnardo.

Political History- The children will learn about the reign of Queen Victoria and why she is a significant monarch. They will then learn about the history of the British Empire and its impact. Finally, we will cover the industrial revolution and its impact both in England and beyond.

RE, Social Education and MFL

MFL Spanish/French

Revising and embedding vocabulary with Language Nut.

PSHCE

Transition to Secondary school.

RE

Humanism- The children will study the difference between religious and non-religious worldviews. We will then focus specifically on humanism.

PE and Creative Arts and Design

Games

Rounders and cricket

Art

Form 6 will be using the clay slab technique to create Victorian style shops based on the Harry Potter stories.

Music

In music this half term Year 6 will be focusing on composing their own pieces firstly inspired by industrial machinery and then moving on to work inspired by the impressionist movement.
