

Dear Parents,

As you may be aware the school has established a fund to raise money for retractable tiered seating within our multi-purpose hall.

Following recent investment in the acoustics in the hall which has significantly improved the audio of the children's performances, we would like to enhance the arts further with a retractable seating system. This will enable the school community to enjoy assemblies, concerts, guest speakers and performances both in comfort and with an excellent view due to the tiered nature of the seating.

There is a significant cost to purchasing the seating, for which we are raising funds over a three year period. To date we have raised £2,500 with a further £32,500 to achieve.

Fundraisers within school will continue to contribute to this initiative, however we are also giving parents and the local community the opportunity to name and sponsor a seat for £250. This is an excellent opportunity for your family to contribute to the future of Ghyll Royd and secure a place in its history.

On purchasing a seat, your choice of wording (up to 35 characters) will be inscribed onto a plaque and added to the reverse of the seat. Individuals who would like to make a small donation without purchasing a seat may do so and will be acknowledged on our commemorative wall plaque.

A visual representation of the seating may be viewed in the front hall of the Manor House. If you would like to support this initiative and sponsor a seat please complete and return the form below to the school office, with cheques made payable to '**Ghyll Royd School**' and details of your requested wording.

Yours sincerely,

David Martin
Head Teacher

Name: _____ Date: _____

Wording to displayed on the plaque (maximum 35 characters including spaces).
