## Hire our grounds

The tranquil, beautiful grounds of Greystone Manor are often a mystery to the commuters on the A65. We have over seven acres of meadow, field and woodland which can be hired for weddings, birthdays, celebrations and sporting events.

The Manor House provides a stunning backdrop for photographs and there are options for hire of the back field for a more secluded venue or our forest area for a dreamy, woodland set up.

Our grounds are available to hire on evenings and weekends throughout the year. Needing an indoor venue? We also have a multipurpose sports hall with *\*NEW FOR 2021\** retractable tiered seating, fundraised by the families of Ghyll Royd School, Pre-School and Nursery.
