

English

Non Fiction – Recounts

Explore recounts using biographies from the civil rights movement: *Henry's Freedom Box* and the story of Rosa Parks' life. Use dialogue punctuation, apostrophes and paragraphs.

Non Fiction – Persuasive Writing

Cherish rainforests, persuading others to do so too, with *Where the Forest Meets the Sea* and *The Vanishing Rainforest*. Expand noun phrases and revise possessive apostrophes.

Poetry – Nature Poems.

Immerse yourselves in poetry, reading and choosing poems, comparing and analysing, then writing. Study fronted adverbials and possessive apostrophes, all in the context of a poem for every day of the year.

ICT

Graphing

Introducing 2Graph – Setting up a graph with given fields, entering data.
Using 2Graph to solve an investigation.

Touch Typing

Home, top and bottom row keys.
Left keys
Right keys

Humanities

Geography –

This environmental unit introduces children to the ecological challenges that face the modern world. Children undertake a range of activities that challenge them to engage with environmental issues and to understand the simple changes we can make to live more sustainable lives. Areas covered will include; recycling, reusing, reducing, deforestation, climate change and the greenhouse effect, as well as other key environmental issues.

The Learning Challenge™
CURRICULUM

Ghyll Royd School Year 4 Summer 2022 Termly Overview

Are You Keen To Be Green?

RE, PSHE, MFL and Reasoning.

MFL - This term the children will learn to talk about how we get to school. They will learn a range of verbs related to travelling, arriving and leaving and will begin to conjugate these verbs in the "I" and "we" form. They will also continue to learn and practice numbers up to fifty in Spanish.

RE – People of Faith- The children will learn about the lives of people of faith from different religions. They will identify key events in their lives and how their faith and beliefs have inspired their lives and work.

PSHE – One World – Malawi This unit is based on a case study of a girl called Chiwa who lives in Malawi. The children will explore different aspects of her life in each lesson.

Mathematics

Decimals

1 and 2-place decimals, decimal/fraction equivalents, tenths and hundredths, comparing and ordering 2-place decimal numbers, adding and subtracting with decimal numbers.

Measures & Data

Measuring in m, cm and mm. Tally charts, tables and bar charts. Finding the area and perimeter of rectilinear shapes.

Place Value

Negative numbers in context.

Multiplication & Division

Factors, multiples and mental multiplication.
Using a formal method for division.
Revising all four number operations.

Science

Living Things and Their Habitats - During this topic, the children will learn how to identify a range of British plants and animals, and how to classify organisms, including the use of classification keys. They will also consider why organisms live in different habitats and the impact, both positive and negative, that humans can have on environments.

PE and Creative Arts and Design

PE – Striking & Fielding/Athletics

Games – Cricket and Rounders

Art/DT – This term the children will finish their scrap material monsters and create botanical observation paintings and drawings.

Music -
