The Learning Challenge™  
**CURRICULUM**

## Ghyll Royd School Year Autumn 2023 Termly Overview

## Mathematics

- Understand place value and be able to use the four operations fluently
- Fractions
- Units of measure including conversion

## ICT

- 1) Coding – can you use your coding skills to create an interactive game?
- 2) Spreadsheets – use complex formulas to manage your pocket money!

## **The Stuarts: slimy or civil? How did the reign of the Stuarts change Britain as a country and for its citizens?**

## Science

- 1) The Art of Being Human – using a range of art skills we will investigate and learn about human circulation and internal functions.
- 2) Festive Circuits – Form 6 will be invited to the Dragons' Den to design, build and market a seasonal electric decoration.

## Humanities

History: How did the Stuarts impact national and local history, using the diaries of Anne Clifford, Samuel Pepys and John Evelyn to gain first-hand understanding  
Geography: The formation of the United Kingdom

## RE, Social Education and MFL

RE: 1) How do Jews remember the Kings and the Prophets in worship and life?  
2) How do Sikhs show commitment?  
PSHE: 1) What makes a healthy and happy relationship?  
2) What is a global citizen?  
Spanish: Revisit the names of different items of food and drink and revise restaurant/café vocab. We shall extend this knowledge in learning how to complain if there is something wrong with our food

## PE and Creative Arts and Design

PE: Invasion games  
Games: Hockey then rugby  
Art: We will use drawing and painting techniques to produce images of highland cows and thistles  
Music: Charles II: the Plague and the Fire of London. Compose rhythms using motifs from texts of the time. We will also be listening to Stuart Music for pulse, rhythm and meter.
