

English

Fiction:

Using Roald Dahls' 'Fantastic Mr Fox' the children will explore, read, and write stories, using dialogue, and speech to enhance the characters personality.

Poetry:

The children will link their poetry to Fantastic Mr Fox, they will create, read, and perform poems to the class.

The Learning Challenge™
CURRICULUM

Ghyll Royd School Year 3 Spring 2024 Termly Overview

Mathematics

Measurement:

Length and Perimeter: Measure, compare, add, and subtract lengths, mass, volume and capacity. Calculate the perimeter of 2D shapes.

Multiplication and Division:

Continue recall and use of multiplication tables, multiply and divide 2 digits by 1 digit. (mental strategies and written methods).

Fractions:

Count in tenths, recognise and use fractions as numbers, find fractions of a set of objects.

Mental Mathematics strategies

Arithmetic & Reasoning questions practice.

ICT

Online Safety:

- Going Phishing
- Beware Malware
- Plagiarism
- Healthy screen-time

Logo:

- Introduction to 2Logo
- Creating letters using 2Logo
- Using the 'Repeat' Command in 2Logo
- Using Procedures

Were The Ancient Greeks Really All That Groovy? Where In The World Are We?

Science

Changing Sound:

We will explore what sound is and how it is made, then investigate how sound travels, how it can be blocked and how different pitches can be attained.

Circuits and Conductors:

The children will learn about where electricity comes from, how it is used and discuss electrical safety.

Humanities

History:

Children find out about the influence that the Ancient Greeks continue to have on our lives. They use a wide range of sources to find out about the lives of the Ancient Greeks and compare a past society with society today.

Geography:

This 'All around the World' Unit allows children to take a closer look at where the countries of the world are located, and some of the ways geographers describe locations. Children will learn to locate and describe places using longitude and latitude and find out about some of the important lines that delineate specific areas of the Earth - the Equator, the Hemispheres, the Poles and the Tropics.

RE, PSHE, MFL and Reasoning

MFL (Spanish):

Parts of the face, describing myself and my family, I like to play and my hobbies.

Religious Education:

How do 'The Five Pillars' guide Muslims in life.

Reasoning:

Mixed papers containing a full range of verbal and non-verbal reasoning type questions.

PSHE:

Living in the Wider World – Britain: In this unit the children will learn about British people, rules, the law and what living in a democracy means.

PE and Creative Arts and Design

PE/ Games:

Netball and Football.

Art/ DT:

Children will create a mask of a Greek God from research, using observational drawings. They will learn various construction techniques using materials such as papier mâché, mod rock and wire. Children will decorate their mask using paint and textile materials.

Music:

The Greeks were known for their different scales or modes, so this term we will be thinking about pitch and how scales are made. We will be using pitched instruments to create and notate our own music and will also explore different structures and use them to organise our musical ideas.
