

Headteacher's Message

At Ghyll Royd School we believe that 'challenge' is not something to be feared, but rather embraced. It helps our children grow in confidence, resilience and independence. When children step outside their comfort zones, whether it is trying something new in class, taking on a leadership role or performing on piano in front of others, they discover just how capable they truly are. Challenge builds character and so I have been extremely proud to see examples these past two weeks, where children have had the self-belief to aim high and persevere.

I am excited for our Form 6 pupils, who have stepped into their new leadership roles with maturity and confidence, working with Mr O'Connor and Mrs Beeson to develop their leadership and enhance the 'play leaders' roles in the playground. Whether they are helping younger pupils, representing the school or arranging activities, they have done so with "...kindness and responsibility."

Those are not my words either, but the words of the ISI Inspectors, who we were absolutely delighted to have visit us last week. They spoke about the warmth, courage and excellence of our small school and left me feeling proud of the hard work and dedication of our staff, children, and of course, your continued support. Thank you.

As we look ahead, we're very excited to welcome families to our upcoming Grandparents' Morning. It is always a joy to see generations coming together in our classrooms and I know the children are eager to share their learning and joy with their grandparents.

I wish you all a wonderful few weeks.

☀️ Why Attendance Matters in Pre-School, Nursery & Primary School ☀️

At Ghyll Royd School, we believe that **every day counts**, especially in the early years of education. Whether your child is in pre-school, nursery, or primary school, regular attendance plays a vital role in their development and future success.

🧠 Early Learning Builds Strong Foundations

Children's brains develop rapidly in the early years. Being in school every day helps them absorb key skills in **language, literacy, and numeracy**, setting the stage for lifelong learning.

🤝 Social Skills & Confidence

Daily attendance gives children the chance to build **friendships**, learn to **share and cooperate**, and grow in **confidence**. These social experiences are just as important as academic ones.

📅 Routine & Readiness

A consistent school routine helps children feel secure and ready to learn. It also builds habits that support success throughout their school journey.

🎯 Long-Term Impact

Children who attend regularly are more likely to:

- Achieve better academic outcomes
- Develop strong emotional and social skills
- Feel connected to their school community

💬 We're Here to Help

We understand that sometimes absences are unavoidable. If you're facing challenges with attendance, please reach out—we're here to support you and your child. Let's work together to give every child the best possible start!

For further information, please refer to our new Attendance Policy which was emailed to parents yesterday.

Billy (Great Explorers) was beaming with excitement as he opened his very own ice cream shop in the garden!

With a big grin, he called out, "Who wants an ice cream?" and was thrilled when his friends came running to join the fun. When someone asked the price, Billy cheerfully declared, "£2!"—and we happily handed over our coins. What a treat!

Later, when the shop closed for the day, Billy didn't stop there. He grabbed a pan and began tossing in sticks and stones, proudly announcing he was making cherry pie. Bravo, Billy! What a wonderfully imaginative young chef you are! 🍷 🍷

Ghyll Royd School and Pre-School

Grandparents Morning!

Forms 1, 2, 3, 4 & 5
Friday 26th September

COME FOR COFFEE AND CAKE

Macmillan Coffee Morning

We're delighted to welcome grandparents tomorrow to join us for a special morning at school. The day will begin with our school assembly at 8:50am, where grandparents are warmly invited to attend, alongside parents, and share in the spirit of our school community.

After the assembly, grandparents will visit the classroom of their grandchild. Following which, they will be escorted to the dining room for refreshments and cake. It's a lovely opportunity to relax, chat, and enjoy some delicious treats together. All donations from the morning will go to Macmillan Cancer Support, a cause close to many hearts.

We'd be so grateful if grandparents could donate a cake for the event. And as a sweet bonus—if there are any leftovers, the children will have the chance to purchase a slice too at the end of the school day.

We're really looking forward to welcoming our grandparents and making it a memorable morning for everyone, whilst also supporting and donating to Macmillan Cancer Support.

Last week, Forms 1 and 2 set sail on a musical adventure, learning two lively songs all about travelling by boat! They had great fun playing along on glockenspiels and even challenged themselves to find the melody—no easy task, but they did brilliantly!

Meanwhile, Forms 5 and 6 were diving into the sounds of The Beatles, trying to arrange the songs by tempo. It was trickier than expected, but they gave it a fantastic go! 🎵 ⚓ 🎸

See below for a small snapshot of the recent professional photos we had taken, showing each form and how our reception and pre-school class are settling in...just to note, before the end of this term, your child will receive a free photo from the ones taken at the start of term

Form 1 and 2 visit to Bradford Industrial Museum

Our learning focus at the museum was all about transport! The children began by creating maps of our local area, then explored a fascinating timeline showcasing the evolution of transport, from carts and trains to buses and motor vehicles. They thoroughly enjoyed discovering how travel has transformed through the ages! 🚗 🚂 🚊

Sebastian's hockey season is off to a flying start with his debut match for the Ben Rhydding Development Team—a squad of seasoned players and rising juniors honing their skills for senior-level play. As the youngest on the team and stepping onto a full-size pitch for the first time, Sebastian didn't shy away from the challenge! Facing Thirsk, the team had a tough first half, but came roaring back in the second with a stunning 5-0 turnaround. Sebastian made his mark with a cracking first goal of the season and a slick assist. Top effort, Sebastian—game on! 🏒🔥👏
